ACKNOWLEDGEMENT

I am immensely grateful to Visvesvaraya Technological University (VTU) for facilitating this internship program, which has been instrumental in bridging the gap between classroom learning and real-world application.

I express my sincere gratitude to Dr. Vijayasimha Reddy B G, Principal, Vemana Institute of Technology, Bengaluru, for providing the necessary infrastructure, encouragement, and support to successfully carry out the internship work.

I extend my heartfelt thanks to Dr. Suneeta, Head of the Department, Electronics and communications, Vemana Institute of Technology, for their constant guidance, motivation, and encouragement throughout the internship duration.

I would also like to thank Internal Supervisor Prof. Suma B V, External Supervisor Maneesh Kumar Varma, and all Internship Coordinators for their cooperation, coordination, and support during the internship period.

I am thankful to all the teaching and non-teaching staff members of the Department of Electronics and communications for their support and encouragement throughout the internship.

I also acknowledge the support of Edutainer for providing structured learning resources and an environment that encouraged systematic understanding, practical application, and continuous improvement.
